Torfield and Saxon Mount Academy Trust

The Torfield and Saxon Mount Academy Trust was established in October 2014 and is the accountable body for both Torfield School and Saxon Mount School. Both schools cater for children and young people with special educational needs and disabilities, including autism, language and communication difficulties and complex learning difficulties. Jointly the federation caters for around 200 pupils aged 4-17. The schools also support local mainstream schools and colleges in their work to meet the needs of children and young people with Special Educational Needs and Disabilities. We have offered Outreach support and training to mainstream school staff, transition programmes for Year 12 students at local colleges and as a Trust, we aim to continue to build our reputation as a centre of excellence in our field.

Although Torfield and Saxon Mount work closely together in a number of areas by sharing resources, expertise and strategies, they remain separate schools with their own distinctive ethos and values.

Frequently Asked Questions

Here are our answers, to what we find, are the most frequently asked questions. If you have any questions that are not answered here, please contact the school office and we will be happy to help.

Special Educational Needs

Saxon Mount is a special day school for pupils aged between 11 and 16 and every pupil has a Statement of Special Educational Needs or EHCP. Although the LEA has the final responsibility for placing a pupil at the school, parent preference and recommendations made at the Annual Review play an important part in forming the decision.

Small classes

Classes are small with high staff / pupil ratios to ensure appropriate support is provided and independence is enabled. The National Curriculum is taught in KS3 and KS4. All children follow personalised routes to achieve appropriate accreditations.

Access

Children with a physical disability are fully supported in accessing all parts of the school. The school building is on two levels with stairs, ramps and elevator. There are specialist toilet facilities and changing areas.

Absence

Attendance for pupils aged 11-16 is a statutory requirement, and all absences must be authorised by the Executive Headteacher. Parents and carers are strongly discouraged from taking their son or daughter out of school unless this is absolutely necessary. Pupils who require Physiotherapy or Occupational Therapy as part of their statement may receive this on site.

Letters are sent to parents/carers three times per year to provide feedback on attendance. Should attendance become a concern to us, parents/carers will be expected to attend a joint meeting with school staff and the Education Welfare staff. Please inform the school about your child's absence on the first day of the absence.

Holidays

Absence other than sickness absence is classed as unauthorised. In line with East Sussex County Council Education Department advice, term time leave

for holidays will be unauthorised unless there are exceptional circumstances.

Illness

When students have been off school with sickness or diarrhoea parents are requested to keep them at home for 24 hours following the last attack.

Medicine in school

Medicine and drugs can be administered by named school staff, but only if we have details on a school medical form. Medication should be clearly labelled by the pharmacist with the pupil's name, in the original packaging and clear information regarding dosage. The Headteacher has the right to refuse to allow the school to administer medication.

First aid

We ask that parents/carers provide consent for their child to receive first aid if necessary. The school maintains policies on first aid, administration of medicine and Health and Safety, which are available on request.

Curriculum

Learning at Saxon Mount is delivered in carefully planned and differentiated activities and all pupils follow the National Curriculum.

Excellent facilities

We have some excellent facilities to support learning, including specialist science, art and technology classrooms, a sensory curriculum interaction centre. Outdoor areas are also very well resourced, with specially designated areas for gardening, PE and sport and leisure activities. Although children join us with low levels of prior attainment, we expect all pupils to engage and behave well, so that they are able to make the best possible progress in their learning.

Extracurricular activities

Pupils are encouraged to participate in the large number of curriculum trips and after school clubs that can support learning and provide social and personal development opportunities. This includes a number of opportunities to participate in residential trips.

Mobile phones

Mobile phones are not encouraged at Saxon Mount and if your child does bring one to school this must be handed in at reception every morning and picked up again in the afternoon.

Clubs and activities

Each day the school runs a range of after school clubs and lunchtime clubs, which include:

- ICT
- Gifted and Talented PE
- Catch up classes
- Choir
- Table Tennis
- Football
- Rhythmix Band
- Cricket.

Please see website for further details.

Off-site visits

To enrich the curriculum we take children on a wide range of educational, academic and cultural visits linked to their current topics. The pupils at Saxon Mount gain a huge amount from these visits, which have included visits to the Science Museum in London, the De La Warr Pavillion, Winchelsea Church, Summerfield's Sports Centre, and the Brighton and Hove Albion training ground.

Collective worship

Religious Education is part of the spiritual, moral, social and cultural education at Saxon Mount, and two whole school assemblies are held each week when pupils reflect on a range of issues in order to develop a sense of community within school and the wider environment. The theme for our Friday assembly is the celebration of achievement. This involves a large proportion of the pupils each week and is well regarded by the pupils. Citizenship lessons and tutor times are also used as opportunities to reflect and consider a range of issues.

The school welcomes visitors who are able to extend the pupils' experience and awareness of religious celebrations and traditions. The contents of assemblies have regard to the pupils' social, racial, cultural and religious backgrounds as well as their ages. All students are timetabled for one lesson each week of Religious Education.

Parents and carers may withdraw their child from all or part of Religious Education and collective worship. This should be discussed with the Headteacher so that an alternative, appropriate lesson may be offered.

Home learning

Home learning is considered to be an integral part of teaching/learning activities at school and extends opportunities for pupils to practice their newly learned skills and competencies. Details of all homework and deadlines are available on the school website. Go to Parent Information and click on 'Show My Homework'. Parents and carers can access this section of the website to help them support and encourage their child to complete assignments on time. Please always ask if you need help with home learning. Our staff are

available to provide on-going individual support to ensure your child is safe on the internet.

Charging policy

To cover the cost of certain activities, including our own transport and vehicle maintenance costs, it is necessary to ask for a voluntary contribution from parents and carers. Pupils will not be excluded from an activity if parents and carers are unable or unwilling to pay. However, if insufficient funds are received trips may not be able to go ahead as planned.

Emergency arrangements

Please ensure that the school office has your most up to date contact details, including mobile phone number and email address. If there are adverse weather conditions, we advise you to check the East Sussex County Council website for the latest information on school closures and listen to local radio stations such as Heart. We will also text all parents and carers and put any closure information on www.torfieldsaxonmount.com as early as possible.

Moving on

By the time our young people leave school, they are able to achieve in a number of areas, ranging from GCSE and equivalent qualifications and vocational qualifications, to life skills awards which demonstrate increased independence. Young people also have opportunities to participate in work related learning and they are well prepared to make the transition into education, employment or training once they leave Saxon Mount.

Learning and development

We have an excellent track record in supporting pupils in moving on to the next stage of their learning and development and we maintain contact with parents and carers for as long as necessary.

Working with parents

Parental involvement

School is a partnership between students, parents/carers, governors and staff and we believe that good communication between home and school is very important for all pupils. Parents and carers are welcome to contact the school with any queries or worries.

Parent evenings

Each year there are three timetabled occasions for contact between home and school. In the autumn we have a parents' evening when parents/carers meet their child's form tutor. This is also a time to meet with staff and discuss Individual Education Plans.

Annual Review

In term five there is an opportunity to meet subject teachers. Parents are also invited to take part in their child's Annual Review when we discuss their progress and set targets for the following year. Your child is always invited to take part in this meeting.

Parent Information Contact

Our Parent Information Contact is Anne Harrington and she is able to provide a wide range of information to parents and carers. Educational queries come through to the school but other issues such as holiday playschemes; benefits and training opportunities for parents and carers are available on a display board at the school entrance, which provides more information on this role.

If parents/carers have any requests for information or contacts, please Anne on 01424 426303 or e-mail: saxonoffice@tasmata.org.uk

The Home School Agreement

We believe it is essential to have strong links between home, school and the community. All children, parents and teachers are asked to sign a Home School Agreement that outlines the intentions of all three parties. A copy of which is returned home to the parents. The Headteacher also issues each class with a Headteacher's Charter, which gives details on how he will endeavour to support your child whilst at the school.

Contacting parents

In case it is necessary for a child to be sent home because of an accident or illness, it is essential that parents and carers provide the school with their work and home contact details plus an email address. You will appreciate the need to keep this information up to date, so please notify the school as soon as possible if your contact details change.

Policies

Why do we need policies?

For a school to offer high quality education and care, it needs policies. Policies help develop and define a set of consistent rules, regulations, procedures and protocols.

High standards

At Saxon Mount we believe that policies are vitally important, and they help us to create standards of quality for learning and safety, as well as expectations and accountability. If you want to know what policies we have, you can either call the school office or visit the school website: www.torfield-saxonmount.com and click on 'Key documentation' and then click on 'Policies'.

Key policies

Some of our key policies are:

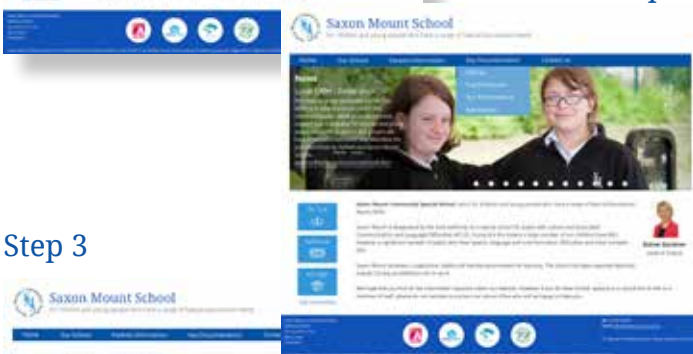

- SEN policy
- Accessibility
- Administration of medicines
- Behaviour
- Complaints
- Charging
